Subject: Summer Session Announcement

After considering the ongoing restrictions and protective measures resulting from the COVID-19 pandemic, and due to the uncertain recovery timetable, the CSUSB 2020 Summer Session will be delivered virtually. The Center for Extended & Global Education will support this effort, which will permit students to progress in their academic studies and allow a number to complete their degree requirements and qualify for graduation. Students should contact their academic advisor to discuss the educational opportunities and options available this summer.

This message from COVID-19@CSUSB.EDU serves as the official notification to the university campus community.
